*ASK ABOUT TRADE-IN CREDIT FOR YOUR OLD INVENTORY!*

“ The Prescott's OmniPlus/OSM200 is an excellent office microscope for the ENT surgeon. It is very affordably priced and functions exceptionally well. I give Prescott's my highest recommendation.”

— Dr. Kuperan, *Houston Physicians Hospital*

“ I like the ease of use. Everything is built in and I can record very easily.”

— Yaara Berdan, *Herman Ostrow School of Dentistry of USC*

“ Scope function is easy and simple. Visual acuity is top notch, and LED lighting is exactly what we needed.”

— Dr. Montano, *McAllen Surgical Specialty Center*
